

*The Kentucky Horse Park Literacy Program promotes the love of the horse and the love of reading by connecting a horse-themed book, a child and a horse.*

The Kentucky Horse Park's dedicated staff and volunteers have created an exciting 2013 program for your fourth-grade students:

### **Book**

Each child and teacher will receive their own copy of Michael Morpurgo's ["WAR HORSE"](#), which will be delivered directly to the school.

### **Live Equine Performance**

The student, teachers and chaperones will take a field trip to the Kentucky Horse Park to attend [THE BOOK REPORT](#) on April 16, 2013 at the Kentucky Horse Park's Alltech Arena. "The Book Report" is written, produced and performed by the KHP staff and will bring to life the special relationship between a boy and his horse.

### **Enrollment**

Deadline March 1, 2013 and will be on a first-come first-serve basis. Commitment to both the book and the live performance is required. Space is limited.

Cost to participate is \$10 per child and per adult, which covers the cost of the book and admission to the live equine show. You may indicate on the application that you would like to receive the scholarship which covers the cost of the program. Transportation is not covered by the scholarship and is the responsibility of the school. [Click here for the Application](#)
